Before sanctioning
any House building advance
this year, the Comptr may
be asked, demi-officially
whether I may mention the

under which it could be sanctioned. If he says that no money could be spared as in the case of Irrigation wells etc., sanction in this & similar cases will have to be refused for the present

I am not sure that it would be quite expedient altogether to refuse such apps[n]. I believe the order last year was that they should be granted within the limit of expected repayments.

The Comptroller may be asked to report what amount is expected to be collected during the Year & whether if not on that ground, there is no need for Compt[r]'s opinion again.

Respected Sir,

I beg to bring the follo
few lines to your honor's kind consider
The recent rains, especially the rain
of the last 5 days, have caused muc
damage to my house, No. 12, Sugetaile
Bangalore city, and it is likely t
fall if some repairs are not done t
it at once. As I am very poor, an
have a large family to support, a
circumstances do not allow me to ge
the repairs done, and I have no othe
place to live in.

The Government showed concession t
Mr. N. Venkatesiah, Head Accountan
Dewan's office, for repairing his ol
house in Fort, by advancing him 6
months' pay. When he purchased a
new site in Basavangudi, he applie

for a further advance of 6 months
Salary to erect the new building
and that too was Sanctioned.
So, I request your honor to Show
me the Same Concession by giving me
an advance of 6 month's pay, So that
I may be able to Complete the repairs.
For which act of kindness I shall
feel highly grateful.

I beg to remain, respected Sir,
Your most obedient Servant,
